

GOVIND SHARMA

FRONTEND DEVELOPER AND ENGLISH FACILITATOR.

Experience

English Facilitator at Navgurukul Dharmshala Campus. APRIL 2025 – JUNE 2025

- Worked as an English Coordinator in Navgurukul (an NGO that offers free residential programs in software engineering to underprivileged youth) and build communication skills among the students.
- Designed and facilitated engaging English sessions for students from under-resourced communities.
- Focused on building communication, reading comprehension, and vocabulary through interactive activities.
- Conducted life skills–based language sessions, integrating themes like self-awareness, empathy, and confidence.
- Collaborated with the other campus’ team to plan weekly learning goals and track student progress.
- Took initiative to create learning resources, like reading materials and posters, to enrich the classroom environment.

Community work and Mentoring at Navgurukul. APRIL 2025 – PRESENT

- As Navgurukul is a student-led campus, all the students have to share responsibilities in all areas.
- Practiced and promoted community living values such as shared responsibility, empathy, and accountability.

Worked as a Freelance Graphic Desginer 2020 – 2023

- Teamed up with several graphic designers and worked on mutliple projects.
- Worked with several clients including Youtubers, Streamers and Web-Developers.
